February 2024

Dear Community Partner

Imagine a scenario in your company where the people you deal with everyday carefully measure each business decision and action with a code of ethical standards:

**Is it the TRUTH?**

**Is it FAIR to all concerned?**

**Will it build GOODWILL and better FRIENDSHIPS?**

**Is it BENEFICIAL to all concerned?**

Now imagine elementary, middle and high school students — our future leaders — who already apply these standards as part of their lives today.

The Rotary Club of Towsontowne-Hunt Valley is a group of business leaders and professionals who are actively involved in making our world a safer, healthier, and more peaceful place. Along with our 501(c)(3) Foundation, we are committed to educational and leadership-development programs for students in our area.

One of these programs is our annual **Four-Way Test Program**, now in its 56th year! This year, over 1,800 students in sixteen schools throughout Northern Baltimore County are participating in a poster, short story, or oratorical contest in which they demonstrate how they incorporate the Four-Way Test into their daily lives. Winners from each grade will receive in-person recognition at an **Awards Ceremony at 6:00 p.m. on April 17th at Hereford High School**.

We are writing to invite you to participate in this year's Ceremony by becoming a Foundation Sponsor. With your contribution of \$500 or more received by April 1st, you will receive a full-page ad in the printed event program as well as placement on our club website's Four-Way Test Home Page.

Any contribution amount to the Foundation will help us continue this and other important youth leadership and educational programs that are undertaken each year. All contributors will be recognized in the event program.

All donations are tax-deductible and may be sent to The James W. Houck Foundation, P.O. Box 94, Hunt Valley, MD 21030. To learn more, please visit our website at <https://towsontownehuntvalley.org/resources-for-schools>.

Thank you for your consideration and support of the Four-Way Test Program, Rotary, and the J. W. Houck Foundation

Yours in Rotary Service,
